# Confined Space MOST Class 2-days

CE: 12 hrs. Any

OE: None

OSHA regulation 29 CFR 1910.146(g) requires an employer to train employees who enter, attend or supervise confined spaces. This class provides OSHA compliant training for confined space entrants, attendants and supervisors. Individual employers must still document employee training for organizational/site specific procedures and proper use of equipment selected for use in confined space operations. Students in this advanced course, learn to identify confined spaces, the major confined space hazards, principles of ventilation, entry permitting and the requirements of a permit-required confined space program. Certificates will be given upon successful completion recognizing training in these areas.
