Questions:

Brent Ogles

brentogles@taud.org

615-900-1011

Successful completion of this workshop will renew your backflow/cross-connection certificate for three years. **Certificates for Backflow Preventer Testers must be renewed every three years. If you hold this certificate, it is your responsibility to attend a renewal class before the expiration date on the certificate. Not renewing by the expiration date may jeopardize the acceptance of your test reports by the Water Provider.** Due to space restraints and subject material, we can only accept the first 21 registrants. We recommend that you register early!

Cost: \$225 TAUD Member
\$260 Non-Member

Time: 8:30 am -4:00 pm

Questions: 615-900-1000

What topics will be covered?

- Requirements Overview
- Testing Procedures

Preparation: You must successfully demonstrate that you

can test a reduced pressure principle assembly and a double check valve assembly in accordance with recognized TN Department of Environment and Conservation procedures without written or verbal assistance. To view the written procedures or to see them performed on video, please visit our web site at www.taud.org and click on Resources-> Downloads-> Backflow; or [click here](#).
