OE: None- or (3 Months any - Must attend all 3 pump classes)
CT: None- or (18 hrs. Must attend all 3 pump classes)

615-900-1000

2025

Class Date/ Location:

- 8/14 Murfreesboro
- 8/14 Webinar

Murfreesboro
840 Commercial Ct.

This class will cover the pumps and motors available for emergency pumping following an event such as a power outage, flooding or other natural disaster. Various pumps and drive systems will be discussed such as diesel engines and diesel hydraulic drives. The class will include hands-on instruction on maintenance and operations of emergency pumps. This class will provide six (6) hours of continuing education credit for water treatment, distribution, wastewater treatment or collection system licenses.

Cost: \$195 TAUD Members
\$390 Non-Members

Time: 8:00 am -3:30 pm
