

Lead and Copper Rule Block A Webinar

CE: 3hrs WT or DS
OE: None

TAUD is offering 3-hour or 6-hour webinar program for operators. Each webinar will begin at 12 pm central on the date listed and last until 3 pm central. An operator may choose to complete one Block and receive 3 CE hours or both Blocks A&B to receive 6 CE hours. Both blocks are independent of each other.

The presentations will be conducted through Zoom-- all an attendee needs to attend this webinar is a smart device including computer, tablet or phone with internet connection.

Block A

Block A is a 3-hour program designed to go over the current Lead and Copper Rule. This Rule is going to be in effect until 2024 and we will discuss how to properly implement and follow the rule. What to do if an Action Level exceedance has been encountered? That is the primary question that will be answered.
