Emergency Pumps and Motors

1 day

CE: 6 hrs Any

OE: None

Class Date/ Location:

- 8/19 Murfreesboro
- 8/19 Webinar

This class will cover the pumps and motors available for emergency pumping following an event such as a power outage, flooding or other natural disaster. Various pumps and drive systems will be discussed such as diesel engines and diesel hydraulic drives. The class will include hands-on instruction on maintenance and operations of emergency pumps. This class will provide six (6) hours of continuing education credit for water treatment, distribution, wastewater treatment or collection system licenses.

Cost: \$185 TAUD Members
\$370 Non Members

Time: 8:00 am -3:30 pm
