Emergency Pumps and Motors 1Day

CE: Up to 12 hrs. Any
OE: 3 months for Any
(Must attend all 3 days to receive maximum Ce/OE hours)

Class Date/ Location:

- 8/17 Murfreesboro
- 8/17 Webinar

This class will cover the pumps and motors available for emergency pumping following an event such as a power outage, flooding or other natural disaster. Various pumps and drive systems will be discussed such as diesel engines and diesel hydraulic drives. The class will include hands-on instruction on maintenance and operations of emergency pumps. This class will provide six (6) hours of continuing education credit for water treatment, distribution, wastewater treatment or collection system licenses.

Cost: \$185 TAUD Members
\$370 Non-Members
