The Wastewater Treatment Plant Operators Class is for persons interested in current industry topics and updates on proposed and current federal and state regulations impacting wastewater treatment operations. Participants will receive information and training to complete future EPA and current TDEC sewer collection system overflow reporting and Pretreatment SAR reports using the new reporting platform, “My TDEC Forms.” Tennessee Design Criteria language updates will be reviewed. The class provides 6 hours of CE credit toward the renewal of any wastewater treatment plant or (BNS) certificates.
